

RENTING EQUIPMENT

Within its multimedia center, PiNA offers free rental of audio-video equipment to individuals, non-governmental organizations and groups. The equipment is rented by unit, for a varying number of days. Renting is available for non-commercial projects and activities, and the resulting audio-visual production must not serve as sales material. Each unit of equipment can be borrowed for a maximum of 5 working days, with no restrictions regarding the number of borrowed items.
