Volunteer profile: Photo, multimedia, European citizenship, arts.

Description of the activities and tasks:

Volunteers will learn all the details of European Projects as Youth Exchange – Volunteering projects – Seminar - Training Courses. With the support of other volunteers and members of Alter Ego will help in the office and also out of the office where we make small presentations about the promotion of EU programs. Many youngsters do not have the information about Erasmus Plus, where and how to apply and how to participate. Our team of volunteers tries to inform and motivates them to participate in the European projects. Place out of office we mean university library and main students restaurant – both places are only 5 minutes by walking from our office.

Alter Ego has a multi-place where workshops happen there with different topics and also many other activities that deal with culture, art and environment.

According to the project we will visit some social corporate initiatives in Thessaloniki where member are persons with fewer opportunities. Also we will try to install one social enterprise with the support of Alter Ego.

Optional:

Volunteers will have the opportunity to learn how to prepare an application too and some basic stuff about the program guide. Also they will be given Greek language courses 2 times per week of 1-1,5 hours.

Working hours:

9-3 or 3 to 9 from Monday to Friday
